

Myxomatosis by Radiohead

The mongrel cat came home
Holding (1) a head
Proceeded to (2) it off
To all his (3) friends
He said "I (4) where I liked
I slept with who I like
She ate me up for breakfast
She screwed me in a vice
But now I don't know why I feel so tongue-tied"
I sat in the cupboard
And (5) it down neat
They were cheering and waving
Cheering and waving
Twitching and salivating like with myxomatosis
But it got edited, ***** up
Strangled, beaten up
Used in a photo in Time magazine
Buried in a burning black (6) in Devon

Fill in the gaps

And I don't (7) why I feel so tongue-tied
Don't know why I feel so skinned alive
My (8) are misguided and a little naïv
I twitch and I salivate like with myxomatosis
You should put me in a home
Or you (9) put me down
I got myxomatosis
I got myxomatosis
Yeah, no one likes a smart-ass but we all like stars
But that wasn't my intention
I did it for a reason
It must (10) got mixed up
Strangled, beaten up
I got myxomatosis
I got myxomatosis
I don't know why I feel so tongue-tied
