

Listen to your heart

Fill in the gaps

I will (1) myself (2) (3)	We will sink and be quiet as mice
pocket	While the cat is away and do (7) we want
Invisible, do what you want	Do what we want
Do what you want	There's an (8) space inside my heart
I will sink and I will disappear	Where the wings take root
I will slip (4) the groove	So now I set you free
And cut me up and cut me up	I set you free
There's an empty space (5) my heart	'Cause all I want is the moon upon a stick
Where the wings take root	Just to see what if
So now I'll set you free	Just to see what it is
I'll set you free	Take the lotus flowers into my room
There's an empty space inside my heart	Slowly we unfold
Where the wings take root	As lotus flowers
So now I'll set you free	'Cause all I want is the moon upon a stick
I'll set you free	Dance (9) a pit
Slowly we unfold	The darkness is beneath
As (6) flowers	I can't kick the habit
'Cause all I want is the moon upon a stick	Just to feed my fast ballooning head
Just to see what if	Listen to your heart
Just to see what it is	
I can't kick the habit	
Just to feed your fast ballooning head
