

## Fill in the gaps

In the still of the night		
I hear the wolf howl, honey		
Sniffing (1) your door		
In the still of the night		
I (2) my heart beating heavy		
Telling me I gotta have more		
In the shadow of night		
I see the full moon rise		
Telling me what's in store		
My heart start aching		
My body start a-shaking		
And I can't take no more		
No, no		
Now I just wanna get close to you		
An' taste your love so sweet		
And I just wanna make love to you		
Feel your body heat		
In the still of the night		
In the still of the night		
Over here, baby		
In the heat of the day		
I hang my head down low		
And hide my face from the sun		
Through the light of the day		
Until the evening time		
I'm waiting for the night to come		
(Ooh) baby		
In the still of the night		
In the cool moonlight		
I feel my heart is aching		
In the still of the night		
(Ooh) baby		
(Ooh) baby		
Can't keep away		
Need you closer		
I can't keep away		
I can't keep away
