## Here I Go Again '87 by Whitesnake

But I sure know (1) I've been An' I've made up my mind   Hanging on the promises I ain't wasting no more time   In the songs of yesterday But here I go again   An' I've made up my mind Here I go again   I ain't wasting no more time Here I go again   But here I go again Here I go again   Here I go again 'Cause I (15) what it means   Tho' I keep searching for an answer To walk alone the lonely street of dreams   I never (2) to find what I'm looking for An' here I go again on my own   (Oh) Lord, I pray you give me (3) to carry Going down the only road I've ever known   on Like a drifter I was born to walk alone   'Cause I (4) what it means And I've made up my mind   To walk (5) the (6) street of I ain't wastin' no more time   dreams An' (16) I go again on my own   Going down the (7) (8) I've ever known Like a (17) I was (18) to walk   Like a drifter I was born to walk alone alone   An' I've made up my mind 'Cause I (19) what it means   Like a drifter I was born to walk alone alone   An' I've made up my mind 'Cause I (19) I was (18) to wal	I don't know where I'm going	Like a drifter I was born to (14) alone
In the songs of yesterday But here I go again   An' I've made up my mind Here I go again   I ain't wasting no more time Here I go again   But here I go again Here I go again   Here I go again 'Cause I (15) what it means   Tho' I keep searching for an answer To walk alone the lonely street of dreams   I never (2) to find what I'm looking for An' here I go again on my own   (Oh) Lord, I pray you give me (3) to carry Going down the only road I've ever known   on Like a drifter I was born to walk alone   'Cause I (4) what it means And I've made up my mind   To walk (5) the (6) street of I ain't wastin' no more time   dreams An' (16) I go again on my own   Going down the (7) (8) I've ever known Like a (17) I was (18) to walk   Like a drifter I was born to walk alone alone   An' I've made up my mind 'Cause I (19) what it means   Like a drifter I was born to walk alone alone   An' I've made up my mind 'Cause I (19) I was (18) to walk   Lain't wasting no (9) time To (20) alone the (21)   I'm just another heart in (10) of rescue	But I sure know (1) I've been	An' I've made up my mind
