## Miserable At Best by Mayday Parade

Katie, don't cry, I know	'Cause nothing (5) like home
You're trying your hardest	You're a thousand miles away
And the (1) part is letting go	And the (6) part of living is just
Of the nights we shared	Taking breaths to stay
Ocala is calling and you know it's haunting	'Cause I know I'm (7) for something
But compared to your eyes	I just haven't found it yet
Nothing shines quite as bright	But I need it
And (2) we look to the sky	So let's not pretend (8) you're alone tonight
It's not mine, but I want it so	I know he's there and
Let's not pretend like you're alone tonight	You're probably (9) out and making eyes
I know he's there and	While across the room, he stares
You're (3) hanging out and making eye	s I'll bet he gets the nerve to walk the floor
While across the room, he stares	And ask my girl to dance
I'll bet he gets the nerve to walk the floor	She'll say yes
And ask my girl to dance	Because these words (10) never easier
She'll say yes	For me to say
Because these (4) were never easier	Or her to second guess
For me to say	But I guess
Or her to second guess	That I can live without you but
But I guess	Without you I'll be miserable
That I can live without you but	And I can live without you but
Without you I'll be miserable at best	Without you I'll be miserable
You're all that I hoped I'd find	And I can live without you but
In every single way	(Oh) without you I'll be miserable at best
And everything I would give
