Fill in the gaps

Miserable At Best by Mayday Parade

Katie, don't cry, I know	'Cause nothing (16) like home
You're trying your hardest	You're a thousand (17) away
And the hardest (1) is letting go	And the (18) part of living is just
Of the nights we shared	Taking breaths to stay
Ocala is calling and you know it's haunting	'Cause I know I'm (19) for something
But compared to your eyes	I (20) haven't found it yet
Nothing (2) quite as bright	But I need it
And when we look to the sky	So let's not pretend like you're alone tonight
It's not mine, but I want it so	I (21) he's there and
Let's not (3) like you're (4)	You're probably (22) out and making eyes
tonight	While (23) the room, he stares
I know he's there and	I'll bet he gets the nerve to walk the floor
You're (5) out and	And ask my girl to dance
(7) eyes	She'll say yes
While across the room, he stares	Because (24) words were never easier
I'll bet he (8) the nerve to (9) the floor	For me to say
And ask my girl to dance	Or her to (25) guess
She'll say yes	But I guess
Because (10) (11) were never	That I can live without you but
easier	Without you I'll be miserable
For me to say	And I can live (26) you but
Or her to second guess	Without you I'll be miserable
But I guess	And I can live (27) you but
That I can live without you but	(Oh) (28) you I'll be miserable at best
Without you I'll be (12) at best	
You're all (13) I hoped I'd find	
In (14) single way	
And everything I would give	
ls (15) you couldn't take
