I need your love

Fill in the gaps

I try to fight this but I know I'm not that strong

I Need Your Love by Calvin Harris & Ellie Goulding

need your time	And I feel so helplessly
When everything's wrong	Watch my eyes are filled with fear
You make it right	Tell me do you feel the same
feel so high	Hold me in your arms again
come alive	I need your love
need to be free with you tonight	I need your time
need your love	When everything's wrong
need your love	You make it right
take a deep breath everytime I pass your door	I feel so high
know you're there but I can't see you anymore	I come alive
And that's the reason	I need to be free (6) you tonight
You're in the dark	I need (7) love
've been a stranger ever since we fell apart	I need (8) love
And I feel so helplessly	All the years, all the times
Natch my eyes are filled with fear	You were never been to blame
Tell me do you feel the same	And now my eyes are open
Hold me in your arms again	And now my heart is (closing)
need your love	And all the tears, all the lies, all the waste
need (1) time	I've been trying to make it change
When everything's wrong	And now my eyes are open
You make it right	I need your love
feel so high	I (9) your time
(2) alive	When everything's wrong
need to be free with you tonight	You make it right
need your love	I feel so high
need your love	I come alive
Now I'm dreaming, will I (3) find you now	I need to be free
walk in circles but I'll (4) figure out	
What I (5) to you	
Do I belong
