

Fill in the gaps

Fight the (1)	_ alone		On broken (16)	I'm falling
When the world is full of victims			And it won't be long	
Dims a fading (2) in our souls			The (17) on me is burning	
Leave the peace alone			By the fires of the sun	
How we all are (3)	changing		On (18)	knees I'm bleeding
Dims a fading (4)	in our souls		And it won't be long	
In my opinion seeing is to know			I've got to find that meaning	
The things we (5)	are (6)	first to go	And I'll search for so lo	ng
And who's to say we won't end up alone			Set a-free all	
On broken (7)	I'm falling		Relying on (19)	will
And it won't be long			To make me all that I am	
The skin on me is burning			And all (20) I'll be	
By the (8) of the sun			Set a-free all	
On skinned knees I'm bleeding			Will fall (21)	the cracks
And it won't be long			With memories of all (22) I am	
I've got to find that mean	ing		And all that I'll be	
And I'll (9)	_ for so long		On (23)	wings I'm falling
Cry ourselves to sleep			And it won't be long	
We will sleep alone forever			The skin on me is burning	
Will you lay me down			By the (24)	of the sun
In the (10) pla	ace (11) all I lov	е	On (25)	knees I'm bleeding
Mend the broken homes			And it won't be long	
Care for (12) (13) are our brothers			I've got to find (26)	meaning
Save the fading (14) in our souls			And I'll search for so long	
In my opinion seeing is t	o know			
What you (15)	will always carry you			
Who's to say we won't se	urvive it too
