

Fill in the gaps

Fight the fight alone
When the world is full of victims
Dims a fading light in our souls
Leave the peace alone
How we all are slowly changing
Dims a fading light in our souls
In my opinion seeing is to know
The things we hold are (1) first to go
And who's to say we won't end up alone
On broken wings I'm falling
And it won't be long
The skin on me is burning
By the fires of the sun
On skinned knees I'm bleeding
And it won't be long
I've got to (2) (3) meaning
And I'll (4) for so long
Cry ourselves to sleep
We will sleep alone forever
Will you lay me down
In the same place with all I love
Mend the broken homes
Care for them they are our brothers
Save the (5) light in our souls
In my opinion seeing is to know
What you give (6) always carry you
Who's to say we won't survive it too

On broken wings I'm falling And it won't be long The skin on me is burning By the fires of the sun On skinned knees I'm bleeding And it won't be long I've got to find that meaning And I'll (7)___ _____ for so long Set a-free all Relying on their will To make me all that I am And all that I'll be Set a-free all Will fall between the cracks With memories of all that I am And all that I'll be On broken (8)_ __ I'm falling And it won't be long The skin on me is burning By the fires of the sun On skinned knees I'm bleeding And it won't be long I've got to find that meaning And I'll search for so long
