Little boxes made of ticky tacky	And they all have pretty children
Little boxes on the hillside	And the children go to school
Little boxes all the same	And the (4) go to (5)
There's a pink one and a green one	camp
And a blue one and a yellow one	And (6) to the university
And they're all (1) out of ticky tacky	Where they are put in boxes
And they all look just the same	And they come out all the same
And the people in the houses	Boys go into business
All went to the university	And marry and (7) a family
Where they were put in boxes	In boxes (8) of ticky tacky
And they came out all the same	And they all (9) just the same
And there's (2) and lawyers	There's a pink one and a green one
