## I've got (1)\_ \_\_\_ on my mind Go on, go on, go on That when she pulls me by the hand If you (6)\_\_\_\_\_ \_ thinking that the worst is yet to come She hasn't much to hold onto Why am I the one? She's keeping count on her hands Always packing all my stuff One, two, three days that I've been For once, for once, for once Sleeping on my side I get the feeling that I'm right where I belong I've finished kissing my death Why am I the one? So now I head back up the steps Always packing all my stuff I think I kinda like it but Thinking about where I've been I mean it's always never like this I (7)\_ have had too much I wanna feel with the seasons And I'll move back down To this western town I guess it makes sense When (8)\_\_\_\_\_ find me out 'Cause my life's become as vapid as A night out in Los Angeles Make no mistake about it And I (2)\_\_\_\_\_ wanna stay in bed I'll move back down I (3)\_\_\_\_\_ you like I used to To this western town When they find me out You know that I am home So darling, if you love me Make no mistake (9)\_\_\_\_\_ Would you let me know I'll move back down (go on, go on) Or go on, go on, go on If you were thinking that the worst is yet to come If you were thinking that the worst is yet to come Why am I the one Why am I the one? Always packing all my stuff Always packing all my stuff Go on, go on, go on For once, for once, for once If you were thinking that the worst is yet to come I get feeling (4)\_\_\_\_\_ I'm right where I belong Why am I the one? Why am I the one? Always packing all my stuff Always packing all my stuff For once, for once, for once She got enough on her mind I get the feeling that I'm right (10)\_\_\_\_\_ I belong That she feels no sorrow Why am I the one? I let my faith fill the air Always packing all my stuff So now she's rolling down the window I think I kinda like it but Never been one to hold on I might have had too much But I need a last breath And I'll move back down So I ask if she remembers when She used to come and visit me We were fools to think that (5)\_\_\_\_\_ could go
