Forever And Always by Taylor Swift

Once upon a time, I believe it was a Tuesday When I caught your eye And we caught onto something, I hold on to the night You looked me in the eye and told me you loved me Were you just kidding? 'Cause it seems to me This thing is breaking down, we almost never speak I don't (1)____ ____ welcome anymore Baby, (2)_____ happened? Please tell me 'Cause one second it was perfect Now you're halfway out the door And I stare at the phone and he still hasn't called And then you feel so low, you can't feel nothin' at all And you flashback to when he said, forever and always Oh, oh Oh, and it rains in your bedroom, everything is wrong It rains when you're here and it (3)_____ when you're gone 'Cause I was there when you said (4)_____ and always Was I out of line? Did I say something way too honest That made you run and hide like a scared little boy? I looked into your eyes, thought I knew you for a minute Now I'm not so sure So here's to everything, coming down to nothing Here's to silence that cuts me to the core Where is this going? Thought I knew for a minute But I don't anymore

And I stare at the phone and he still hasn't called
And then you feel so low, you can't feel nothin' at all
And you flashback to when he said forever and always
Oh, oh
Oh, and it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said (5) and
always
You didn't mean it, baby, I don't think so
Oh, oh
Oh, back up, baby, back up, did you forget everything?
Back up, baby, (6) up, did you forget everything?
'Cause it rains in (7) bedroom, everything is wrong
It rains when you're here and it rains (8) you're
gone
'Cause I was (9) when you said forever and
always
Oh, I stare at the phone and he still hasn't called
And then you feel so low, you can't feel nothin' at all
And you flashback to when we said forever and always
And it rains in your bedroom, everything is wrong
It rains (10) you're here and it rains when you're
gone
'Cause I was there when you said forever and always
You didn't mean it, baby, you said forever and always
