A million (1) away	But still inside a (13) to a riot
Your (2) in the distance	To sacrifice but (14) to survive
To whom it may concern	The first to (15) (16) state of
I (3) I lost my way	mind
Getting (4) at (5) over	I'm on my knees, I'm praying for a sign
Every time that I return	Forever, whenever
I'm learning to walk again	I never wanna die
I believe I've waited long enough	I (17) wanna die
Where do I begin?	I never wanna die
I'm learning to talk again	I'm on my knees
Can't you see I've (6) long enough	I (18) wanna die
Where do I begin?	I'm dancing on my grave
Do you (7) the days	I'm running through the fire
We built these paper mountains	Forever, whenever
Then sat and watched (8) burn	I never wanna die
I think I found my place	I never (19) leave
Can't you feel it growing stronger	I (20) say goodbye
Little conquerors	Forever, whenever
I'm learning to walk again	Forever, whenever
I believe I've (9) long enough	I'm (21) to walk again
Where do I begin?	I believe I've waited long enough
I'm learning to (10) again	Where do I begin?
I believe I've waited long enough	I'm (22) to talk again
Where do I begin?	Can't you see I've waited long enough
Now	Where do I begin?
For the (11) first time	I'm learning to (23) again
Don't you pay no mind	I believe I've waited long enough
Set me free	I'm learning to (24) again
Again	Can't you see I've waited long enough
You (12) alive a moment at a time
