

Fill in the gaps

Man In The Mirror by Michael Jackson

(Ooh ooh ooh aah)

I'm gonna make a change

For once in my life

It's gonna feel real good

Gonna (1)_____ a difference

Gonna make it right

As I turned up the collar on

My favorite winter coat

This wind is (2)_____ my mind

I see the kids in the street

With not enough to eat

Who am I to be blind

Pretending not to see their need

A summer's disregard

A broken bottle top

And a one man's soul

They follow each other on the wind ya' know

'Cause they got nowhere to go

That's why I want you to know

I'm (3)_____ with the man in the mirror

I'm (4)_____ him to (5)_____ his ways

And no message could have been any clearer

If you wanna make the world a better place

Take a (6)_____ at yourself and then make a change

(Na na na, na na na, na na na na oh ho)

I've been a victim of

A selfish kinda love

It's time (7)_____ I realize

There are some (8)_____ no home

Fill in the gaps

Not a nickel to loan

Could it be really me

Pretending that they're not alone

A willow deeply scarred

Somebody's broken heart

And a washed out dream (washed out dream)

They follow the pattern of the wind ya see

'Cause (9)_____ got no place to be

That's why I'm starting with me

I'm starting with the man in the mirror

I'm asking him to change his ways

And no message could (10)_____ been any clearer

If you (11)_____ make the world a better place

Take a look at yourself and then make a change

I'm starting with the man in the mirror

I'm asking him to (12)_____ his ways

And no message could have been any clearer

If you wanna (13)_____ the world a (14)_____ place

Take a look at yourself and then make that change

I'm starting (15)_____ the man in the mirror

(Oh yeah)

I'm (16)_____ him to change his ways, yeah

(Better change)

No message (17)_____ have (18)_____ any clearer

If you wanna make the world a better place

Take a look at yourself and then (19)_____ the change

You (20)_____ get it right, while you got the time

'Cause when you close your heart

You can't close your, your mind

That man

Fill in the gaps

With the man in the (21)_____ (oh yeah)
