Fill in the gaps

Man In The Mirror by Michael Jackson

(Ooh ooh ooh aah)
I'm gonna (1) a change
For once in my life
It's gonna (2) real good
Gonna make a difference
Gonna make it right
As I turned up the collar on
My favorite winter coat
This wind is blowing my mind
I see the kids in the street
With not enough to eat
Who am I to be blind
Pretending not to see their need
A summer's disregard
A broken bottle top
And a one man's soul
They follow each other on the wind ya' know
'Cause they got nowhere to go
That's why I want you to know
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
(Na na na, na na na na na na oh ho)
I've been a victim of
A selfish kinda love
It's time that I realize

There are some with no home

Somebody's broken heart
And a washed out (3) (washed out dream)

'Cause they got no place to be
That's why I'm starting with me
