

# Fill in the gaps

## Greatest Love Of All by Whitney Houston

I (1) the children are our future	I (15) the (16) are our
Teach them well and let them lead the way	future
Show (2) all the beauty they posses inside	Teach (17) well and let them lead the way
Give (3) a sense of pride	Show them all the beauty they (18) inside
To (4) it easier	Give them a sense of pride
Let the children's laughter	To make it easier
Remind us how we used to be	Let the children's laughter
Everybody (5) for a hero	Remind us how we used to be
People need someone to look up to	I decided long ago
I (6) (7) (8) who	Never to walk in anyone's shadow
fulfilled my needs	If I fail
A lonely place to be	If I succeed
And so I learned to depend on me	At least I live as I believed
I decided long ago	No (19) what they take from me
Never to walk in anyone's shadow	The can't take away my dignity
If I failed	Because the greatest love of all
If I succeed	Is happening to me
At (9) I lived as I believed	I found the greatest
No matter (10) they take (11) me	Love of all (20) of me
They can't take away my dignity	The greatest love of all
Because the greatest	Is (21) to achieve
Love of all	Learning to love yourself
Is happening to me	It is the greatest love of all
I found the greatest	And if by chance that special place
Love of all inside of me	That you've (22) (23) of
The greatest (12) of all	Leads you to a lonely place
Is easy to achieve	Find your (24) in love
Learning to love yourself	
It is the (13) of all
