

In my life

## Fill in the gaps

## I Want To Know What Love Is (Cover) by Mariah Carey

I gotta take a little time			There's been (5)	and pain
A little time to think (1) over		I don't know		
I better read between the lines			If I can face it again	
In (2) I need it when I'm colder			Can't stop now	
In my life			I've traveled so far	
There's been heartache and pain			To change this lonely life	
I don't know			I wanna know (6) love is	
If I can face it again			I want you to show me	
Can't stop now			I wanna feel what love is (feel what (7) is)	
I've traveled so far			And I know you can show me	
To change this lonely life			Show me, I wanna know	
I wanna know what love is			I wanna know what love is (I wanna know)	
I want you to show me			I want you to show me (and I feel you so much love)	
I wanna feel what love is			I wanna feel what love is	
I know you can show me			And I know you can show me	
I'm gonna take a (3)	(4)	(take a	I wanna know what love is	
litlle time)			(Oh) let's talk about love	
A little time to look around me (oh)			I want you to (8) me	
I've got nowhere left to hide (nowhere	ere left to hide)			
It looks like love's finally found me	(oh)
