I Want To Know What Love Is (Cover) by Mariah Carey

i gotta take a little time	r nere's been neartache and pain
A (1) time to think things over	I don't know
I better read between the lines	If I can (6) it again
In case I need it when I'm colder	Can't stop now
In my life	I've traveled so far
There's (2) heartache and pain	To change this lonely life
I don't know	I wanna know what love is
If I can face it again	I (7) you to show me
Can't stop now	I wanna feel what love is (feel what love is)
I've traveled so far	And I (8) you can show me
To (3) this lonely life	Show me, I wanna know
I wanna know what love is	I (9) (10) what love is (I wanna know)
I want you to show me	I want you to show me (and I feel you so much love)
I wanna feel what (4) is	I wanna feel what love is
I (5) you can show me	And I know you can show me
I'm gonna take a little time (take a little time)	I wanna know what love is
A little time to look around me (oh)	(Oh) let's talk about love
I've got nowhere left to hide (nowhere left to hide)	I want you to show me
It looks like love's finally found me (oh)
