

One day

Fill in the gaps

When I came home
At lunchtime
I heard a funny noise
Whet out
To the backyard
To find out
If it was one of those rowdy boys
Stood there
With my neighbor
Called Peter
And a flux capacitor
He told me he built a time machine
Like the one in the film I've seen
Yeah
He said
I've been to the year three thousand
Not much has changed but they lived under water
And your great, great, great granddaughter
Is doing fine
Doing fine
He took me
To the future
In the (1) thing
And I saw everything
Boybands
And another one
And another one
And another one
Girls there
With round hair
Like star wars
Float above the floor
We drove around in a time machine
Like the one in the film I've seen
Yeah
(Oh)
He said

I've been to the year three thousand

Not much has changed but they lived under water

And (2) great, great, great granddaughter
Is doing fine
Doing fine
I took a trip to the (3) 3000
This song had gone multi platinum
Everybody bought our seventh album
It had outsold (4) Clarkson
I took a trip to the year 3000
This song had gone multi platinum
Everybody bought our seventh album
He told me he (5) a time machine
Like the one in the film I've seen
Yeah
I've been to the year three thousand
Not much has changed but they lived under water
And your great, great, great granddaughter
Is doing fine
Doing fine
He said
I've been to the year (6) thousand
Not much has changed but they lived under water
And your great, great granddaughter
Is doing (7) (is doing fine, is doing fine)
He said
I've been to the year three thousand
Not much has changed but they (8) under water
And your great, great granddaughter
ls (9) fine
Doing fine
He said
I've been to the year three thousand
Not much has changed but they lived under water
And your great great granddaughter
Is doing fine
Doing fine
(Ha)
