I feel a (1)	coming on		Don't let these memories get left behind	
'Cause I know you want to be moving on			Don't surrender, surrender, surrender	
I wish it would snow tonight			Please remember, remember December	
You'd pull me in, (2)	a fight		We (9)	so in love back then
'Cause I (3) a separation coming on			Now you're listening to what they say	
Just prove that there is nothing left to try			Don't go that way	
'Cause the truth, I rather we just both deny			Remember, remember December	
You (4) me wi	th (5) op	en eyes	Please remember	er
It says so much, it's no surprise to you			I remember, us together	
But I've got something left to say			We both promised that forever	
Don't surrender, surrender, su	rrender		We could do this	, fight the pressure
Please remember, (6)	Decemb	er	Please remember	er, December
We were so in love back then			Don't surrender,	surrender, surrender
Now you're listening to what (7) say		Please remember	er, remember December
Don't go that way			We (10)	_ so in love back then
Remember, (8) December			Now you're listening to what they say	
Please remember			Don't go that way	
Don't surrender			Remember, remember December	
Did you say?			Please remember	er
