Remember December by Demi Lovato

I feel a separation coming on	Don't let (14) memories get left behind
'Cause I (1) you want to be moving on	Don't surrender, surrender, surrender
I wish it (2) snow tonight	Please remember, remember December
You'd pull me in, avoid a fight	We (15) so in love (16) then
'Cause I feel a separation coming on	Now you're listening to what (17) say
Just prove that there is nothing left to try	Don't go (18) way
'Cause the truth, I rather we just both deny	Remember, (19) December
You kissed me (3) (4) open eyes	Please remember
It says so much, it's no surprise to you	I remember, us together
But I've got (5) to say	We (20) promised that forever
Don't surrender, surrender	We could do this, fight the pressure
Please remember, remember December	Please remember, December
We were so in love back then	Don't surrender, surrender
Now you're (7) to (8)	Please remember, remember December
(9) say	We were so in (21) (22) then
Don't go (10) way	Now you're listening to what they say
Remember, (11) December	Don't go (23) way
Please remember	Remember, (24) December
Don't surrender	Please remember
Did you say?	Don't surrender
You wouldn't let (12) change your mind	
'Cause when we're (13) fire melts the ice	
Our hearts are both on overdrive	
Come with me, let's run tonight
