## Remember December by Demi Lovato

I feel a separation coming on	Don't let these (7) get left behind
'Cause I know you want to be moving on	Don't surrender, surrender
I wish it would snow tonight	Please remember, remember December
You'd pull me in, avoid a fight	We were so in love back then
'Cause I feel a separation coming on	Now you're (8) to what they say
Just prove that (1) is nothing (2) to	Don't go that way
try	Remember, remember December
'Cause the truth, I rather we just both deny	Please remember
You kissed me with those (3) eyes	I remember, us together
It says so much, it's no surprise to you	We both promised that forever
But I've got something left to say	We could do this, fight the pressure
Don't surrender, surrender	Please remember, December
Please remember, (4) December	Don't surrender, surrender
We were so in love back then	Please remember, remember December
Now you're listening to what (5) say	We were so in love back then
Don't go that way	Now you're listening to (9) they say
Remember, remember December	Don't go that way
Please remember	Remember, remember December
Don't surrender	Please remember
Did you say?	Don't surrender
You wouldn't let them change your mind	
'Cause when we're together fire (6) the ice	
Our hearts are both on overdrive
