Remember December by Demi Lovato

I feel a separation (1) on	Don't let these memories get left behind
Cause I know you want to be moving on	Don't surrender, surrender
I (2) it (3) snow tonight	Please remember, remember December
You'd pull me in, avoid a fight	We were so in love back then
Cause I feel a separation coming on	Now you're listening to what they say
Just prove that there is nothing left to try	Don't go that way
Cause the truth, I rather we just both deny	Remember, (8) December
You kissed me with those (4) eyes	Please remember
It says so much, it's no surprise to you	I remember, us together
But I've got something left to say	We both promised that forever
Don't surrender, surrender	We could do this, fight the pressure
Please remember, remember December	Please remember, December
We were so in love (5) then	Don't surrender, surrender
Now you're listening to what they say	Please remember, (9) December
Don't go that way	We were so in love back then
Remember, remember December	Now you're listening to what they say
Please remember	Don't go (10) way
Don't surrender	Remember, remember December
Did you say?	Please remember
You wouldn't let them (6) your mind	Don't surrender
Cause when we're together fire melts the ice
