Rolling In The Deep (Cover) by VÃ;zquez Sounds & Adele

There's a (1) starting in my heart	You had my heart inside your hand
Reaching a fever pitch and it's bringing me out the dark	But you played it with the beat
Finally, I can see you crystal clear	We could have had it all
Go ahead and sell me out and I'll lay your ship bare	Rolling in the deep
See how I'll (2) every piece of you	You had my heart (16) (17) hand
Don't (3) the things that I	But you played it with a beating
(4) do	Throw your soul through every open door
There's a fire starting in my heart	Count your blessings to find what your look for
Reaching a fever pitch and it's bring me out the dark	Turn my sorrow into treasured gold
The scars of your love remind me of us	You'll pay me (18) in kind
They (5) me (6) that we	And reap (19) what you've sown
almost had it all	We could have had it all
The scars of your love, (7) (8) me	We (20) have had it all
breathless	It all, it all, it all
I can't help feeling	We could have had it all
We could have had it all	Rolling in the deep
Rolling in the deep	You had my (21) inside your hand
You had my heart (9) (10) hand	But you (22) it (23) the beat
But you (11) it with the beat	We could have had it all
Baby, I have no story to be told	Rolling in the deep
But I've heard one on you	You had my heart inside your hand
And I'm gonna make your head burn	But you played it
Think of me in the depths of your despair	You played it
Make a home down there as mine sure won't be shared	You (24) it
The scars of your love (12) me of us	You (25) it to the beat
They keep me thinking (13) we almost had it all	
The scars of your love, (14) leave me breathless	
I can't help feeling	
We (15) have had it all	
Rolling in the deep
