Rolling in the deep...

Fill in the gaps

Rolling In The Deep (Cover) by Vázquez Sounds

There's a fire starting in my heart		You had my heart inside your hand	
Reaching a (1)	pitch and it's bringing me out the	And you played it to the beat	
dark		We could have had it all	
Finally, I can see you crystal clear		Rolling in the deep	
Go ahead and sell me out and a I'll lay your ship bare		You had my heart inside your hand	
See how I'll leave with every piece of you		But you played it with a beating	
Don't underestimate the things that I will do		Throw your soul (5)	every open door
There's a fire starting in my heart		Count your blessings to (6)	what you look for
Reaching a fever pitch and it's bring me out the dark		Turn my sorrow into treasured gold	
The scars of your love remind me of us		You'll pay me back in kind	
They keep me thinking that we almost had it all		And reap just what you've sown	
The scars of your love, they	(2) me breathless	We could have had it all	
I can't help feeling		We could have had it all	
We could have had it all		It all, it all, it all	
Rolling in the deep		We could have had it all	
You had my heart inside your hand		Rolling in the deep	
And you played it to the beat		You had my heart inside (7)	_ hand
Baby, I have no story to be told		And you played it to the beat	
But I've (3) one on you		We could have had it all	
And I'm gonna make your head burn		Rolling in the deep	
Think of me in the depths of your despair		You had my heart inside your hand	
Make a home down there as mine sure won't be shared		But you played it	
The scars of your love remind me of us		You played it	
They keep me thinking that we almost had it all		You played it	
The scars of your love, they (4) me breathless		You (8) it to the beat	
I can't help feeling			
We could have had it all
