

I make the most of all the stress

Fill in the gaps

I try to live without regrets
But I'm about to break a sweat
I'm freaking out
It's like a poison in my brain
It's like a fog that blurs the sane
It's like a vine you can't untangle
I'm freaking out
Everytime I turn around
Something don't feel right
Just might be paranoid
I'm avoiding the lines
'Cause they just might split
Can (1) stop the noise?
I don't know what it is but I just don't fit
I'm paranoid
Yeah
I take the necessary steps
To get some air into my chest
I'm taking all the doctor's med
I'm (2) freaking out
That's why my ex is still my ex
I never trust a word she says
I'm running all the backround checks
And she's freaking out
Everytime I turn around
Something's just not right
Just might be paranoid
I'm avoiding the lines
'Cause they just might split

Can someone (3) the noise?
I don't know what it is but I just don't fit
Consider me destroyed
I don't know how to act 'cause I lost my head
I (4) be paranoid (I must be paranoid)
I never thought it would come to this
I'm paranoid
Stuck in the room with (5) faces
(Yeah)
Caught in a nightmare can't wake up
If you hear my cry
Running (6) the street
I'm about to freak
Come and (7) me
Just might be paranoid
(Yeah)
I'm avoiding the lines
'Cause they just (8) split
Can someone stop the noise?
(Can someone stop the noise?)
I don't know what it is but I (9) don't fit
Consider me destroyed (consider me destroyed)
I don't know how to act 'cause I lost my head
I (10) be paranoid (I must be paranoid)
I never thought it would come to this
I'm paranoid
