

Fill in the gaps

I make the most of all the stress	Can (5) stop the noise?
I try to (1) without regrets	I don't know what it is but I just don't fit
But I'm about to break a sweat	Consider me destroyed
I'm freaking out	I don't know how to act 'cause I (6) my head
It's like a poison in my brain	I (7) be paranoid (I (8) be paranoid)
It's like a fog that blurs the sane	I never thought it would come to this
It's like a vine you can't untangle	I'm paranoid
I'm freaking out	Stuck in the room with staring faces
Everytime I turn around	(Yeah)
Something don't feel right	Caught in a nightmare can't wake up
Just might be paranoid	If you hear my cry
I'm avoiding the lines	Running through the street
'Cause they just might split	I'm about to freak
Can someone stop the noise?	Come and rescue me
I don't know what it is but I just don't fit	Just might be paranoid
I'm paranoid	(Yeah)
Yeah	I'm avoiding the lines
I (2) the (3) steps	'Cause they just (9) split
To get some air into my chest	Can someone stop the noise?
I'm taking all the doctor's med	(Can someone stop the noise?)
I'm still (4) out	I don't know what it is but I (10) don't fit
That's why my ex is still my ex	Consider me destroyed (consider me destroyed)
I never trust a word she says	I don't know how to act 'cause I lost my head
I'm running all the backround checks	I must be paranoid (I must be paranoid)
And she's freaking out	I never thought it would come to this
Everytime I turn around	I'm paranoid
Something's just not right	
Just might be paranoid	
I'm avoiding the lines	
'Cause they just might split
