If (1) was (2) the sun	We're chasing (5) to lose our shadow
Would never, never (3) us	Peter Pan and (6) turned out fine
We could light up	So won't you fly with me
The sky tonight	Maybe you were (7) afraid
I would see the (4) through your eyes	Knowing you were miles away
And leave it all behind	From the place where you needed to be
If it's you for me forever	And that's (8) here with me
If it's you and me right now that'd be alright	It's you and me forever
Be alright	You and me right now that'd be alright
We're chasing stars to lose our shadow	If it's you for me forever
Peter Pan and Wendy turned out fine	If it's you and me right now I'd be alright
So won't you fly with me	Be alright
Oh yeah	We're (9) stars to (10) our
Gonna fly with me now	shadow
Now the past is come	Peter Pan and Wendy turned out fine
Alive and given meaning and a reason	So won't you fly
To give all I can	Fly
To believe once again	Fly
If it's you for me forever	With me
If it's you and me right now that'd be alright	
Be alright
