

## Fill in the gaps

If time was still the sun	We're (11) (12) to lose our
Would never, (1) find us	shadow
We could (2) up	Peter Pan and Wendy (13) out fine
The sky tonight	So won't you fly with me
I would see the (3) (4)	Maybe you (14) just afraid
(5) eyes	Knowing you were miles away
And leave it all behind	From the (15) (16) you needed to
If it's you for me forever	be
If it's you and me (6) now that'd be alright	And that's right (17) (18) me
Be alright	It's you and me forever
We're chasing (7) to lose our shadow	You and me (19) now that'd be alright
Peter Pan and Wendy turned out fine	If it's you for me forever
So won't you fly (8) me	If it's you and me right now I'd be alright
Oh yeah	Be alright
Gonna fly (9) me now	We're (20) stars to lose our shadow
Now the past is come	Peter Pan and Wendy (21) out fine
Alive and (10) meaning and a reason	So won't you fly
To give all I can	Fly
To believe once again	Fly
If it's you for me forever	With me
If it's you and me right now that'd be alright	
Be alright	

## 1. never
