## Cruise by Florida Georgia Line

In this brand new Chevy with a lift kit
Would look a hell lot better with you up in it

## Fill in the gaps

Baby you a song		So baby you a song	
You make me wanna roll my windows down		You make me wanna roll my windows down	
And cruise		And cruise	
Hey baby		When that summer sun fell to its knees	
Yeah, when I first saw that bikini top on her		I looked at her and she looked at me	
She's poppin' right out of the South Georgia water		And I turned on those KC lights and drove all night	
Thought, oh, good lord		'Cause it felt so right, her and I, man we felt so right	
She had them long tanned legs		I put it in park and grabbed my guitar	
Couldn't help myself so I walked up and said		And strummed a couple chords	
Baby you a song		And sang from the heart	
You (1) me wanna (2) my windows		Girl you sure got the beat in my chest bumpin'	
down		Hell I can't get you out of my head	
And cruise		Baby you a song	
Down a back road blowin' stop		You make me wanna roll my windows down	
Signs through the middle		And cruise	
Every little farm town with you		Down a back road blowin' stop	
In (3) brand new Chevy with a lift kit		Signs through the middle	
Would look a hell lot (4) with you up in it		Every little farm town (8) you	
So baby you a song		Baby you a song	
You make me wanna roll my windows down		You make me wanna roll my windows down	
And cruise		And cruise	
She was sippin' on southern		Down a back road (9)	stop
And singin' (5)	Tucker	Signs through the middle	
We were falling in love		Every little farm town with you	
In the sweet heart of summer		In this brand new Chevy with a lift kit	
She hopped right up		Would look a hell lot better with you up in it	
Into the cab of my truck and said		Come on	
Fire it up, (6)	go get this (7)	Baby you a song	
stuck		You make me wanna (10) my wind	ows down
Baby you a song		And cruise	
You make me wanna roll my windows down		Come on girl	
And cruise		Get those windows down and cruise	
Down a back road blowin' stop		(Aww yeah)	
Signs through the middle
