

## Fill in the gaps

| Had an epiphany, and this what it seems        |                      | Look around they all got the same (12) on |
|--|----------------------|---|
| These smoking (1)                              | don't wanna believe  | I'm standing by the phone someone (13) me |
| For far too long they've been plottin on me    |                      | Bring me to life                          |
| The (2) unfolding now, it's a conspiracy       |                      | Show me how to live                       |
| Starting to feel (3) a deja vu                 |                      | Cause I lose control, feeling (14) Neo    |
| I remember being here                          |                      | In the matrix, I just wanna live          |
| Must be a glitch in the matrix                 |                      | l just (15) (16) (oh woah)                |
| Look around they all got the same face on      |                      | I took a red and a (17) pill, now I       |
| I'm standing by the phone (4) call me          |                      | Can't decide what's make (18) or real am  |
| Bring me to life                               |                      | Awake or am I still asleep?               |
| Show me how to live                            |                      | It's killing me                           |
| 'Cause I lose control, feeling like Neo        |                      | I need you, you gotta (19) me             |
| In the matrix, I just wanna live               |                      | I'm part human, (20) android              |
| I just (5) live (oh woah)                      |                      | I (21) your (22) so you can't             |
| I took a red and a blue pill, now I            |                      | (23) me                                   |
| Can't decide what's (6)                        | believe or real am I | Judge me                                  |
| Awake or am I (7) asleep?                      |                      | (Oh woah) stuck in the matrix             |
| It's killing me                                |                      | (Oh) bring me to life                     |
| Until the oracle I (8) to know                 |                      | Bring me to life                          |
| What I was supposed to do                      |                      | Show me how to live                       |
| She said I see on my own                       |                      | 'Cause I lose control, feeling (24) Neo   |
| And the craziest thing is (9) you already know |                      | In the matrix                             |
| How to decipher the signs                      |                      | I just wanna live                         |
| On the side of the road oh woah                |                      | l just (25) live (oh woah)                |
| Starting to (10)                               | like a deja vu       |   |
| I (11)   | being here           |   |
| Must be a glitch in the mat                    | rix                  |   |
