Had an epiphany, and this what it seems	Look around they all got the same face on
These (1) mirrors don't wanna believe	I'm standing by the phone someone (6)
For far too long they've been plottin on me	Bring me to life
The stories unfolding now, it's a conspiracy	Show me how to live
Starting to feel like a deja vu	Cause I lose control, feeling like Neo
I remember being here	In the matrix, I just wanna live
Must be a glitch in the matrix	I just wanna live (oh woah)
Look (2) they all got the same face on	I took a red and a blue pill, now I
I'm standing by the (3) someone call me	Can't decide what's make believe or real am I
Bring me to life	Awake or am I still asleep?
Show me how to live	It's killing me
'Cause I lose control, feeling like Neo	I need you, you (7) (8) me
In the matrix, I just wanna live	I'm part human, part android
I (4) wanna live (oh woah)	I need your power so you can't judge me
I took a red and a blue pill, now I	Judge me
Can't decide what's make (5) or real am I	(Oh woah) stuck in the matrix
Awake or am I still asleep?	(Oh) bring me to life
It's killing me	Bring me to life
Until the oracle I wanted to know	Show me how to live
What I was supposed to do	'Cause I lose control, feeling like Neo
She said I see on my own	In the matrix
And the craziest thing is that you already know	I just (9) live
How to decipher the signs	I just wanna (10) (oh woah)
On the side of the road oh woah	
Starting to feel like a deja vu	
I remember being here	
Must be a glitch in the matrix
