

Fill in the gaps

Well, I woke up to the sound of (1) the cars	Or you're sinking like a stone
Were (2) (3) knives in a fist figh	Carry on
And I found you (4) a bottle of wine	May your past be the sound
Your (5) in the curtains	Of your feet upon the ground and
And (6) like the Fourth of July	Carry on
You (7) and said "we are not"	(Woah)
"We are not shining stars"	My head is on fire
This I know	But my legs are fine
I never said we are	After all (21) are mine
Though I've never been	Lay your clothes (22) on the floor
Through hell like that	Close the door
I've closed (8) windows	Hold the phone
To (9) you can (10) look back	Show my how
If you're lost and alone	No one's is ever going to stop us now
Or you're sinking like a stone	'Cause we are
Carry on	We are shining stars
May your past be the sound	We are invincible
Of your feet upon the ground	We are who we are
Carry on	On our darkest day
Carry on, carry on	When we're miles away
So I met up	So we will come
With some friends at the edge of the nigh	We will find our way home
At a bar off 75	If you're (23) and alone
And we (11) and talked	Or you're sinking a stone
About how our parents (12) die	Carry on
All our neighbours and wives	May your past be the sound
But I'd (13) to think	Of your (24) upon the ground and
I can (14) it all	Carry on
To (15) up for the times I've been cheated on	
And it's (16) to know	Carry on, carry on
When I was left for dead	Carry on, carry on
I was found and now I don't (17) (18)	
streets	
I am not the (19) you (20) of me	
If you're lost and alone
