

Fill in the gaps

Well, I woke up to the (1)	of silence the cars	Or you're (7)	like a stone
Were cutting like knives in a (2)_	figh	Carry on	
And I found you with a bottle of wine		May your past be the sound	
Your head in the curtains		Of your feet upon the ground and	
And heart like the Fourth of July		Carry on	
You swore and said "we are not"		(Woah)	
"We are not shining stars"		My (8) is on fire	
This I know		But my legs are fine	
I (3) said we are		After all they are mine	
Though I've never been		Lay your clothes down on the floor	
Through hell like that		Close the door	
I've closed enough windows		Hold the phone	
To know you can never look back		Show my how	
If you're lost and alone		No one's is (9) going to stop us now	
Or you're sinking like a stone		'Cause we are	
Carry on		We are shining stars	
May your past be the sound		We are invincible	
Of your (4) upon the ground		We are who we are	
Carry on		On our darkest day	
Carry on, carry on		When we're miles away	
So I met up		So we will come	
With some friends at the edge of the nigh		We (10) find our way home	
At a bar off 75		If you're lost and alone	
And we talked and talked		Or you're sinking a stone	
About how our parents will die		Carry on	
All our neighbours and wives		May your past be the sound	
But I'd like to think		Of your feet upon the ground and	
I can (5) it all		Carry on	
To make up for the times I've been cheated on			
And it's (6) to know		Carry on, carry on	
When I was left for dead		Carry on, carry on	
I was found and now I don't roam	these streets		
I am not the ghost you want of m	е		
If you're lost and alone
