All the pretty girls on a Saturday night	Will you break and take all the words (6) my
So I call your name, cross my fingers	mouth?
Uncross the others, hesitate	I wish all the pretty girls were shaking me down
(Oh) I don't think straight	But not you
With nothing to prove	You still wear boots and your hair is too long
I don't wanna say I'm leaving	And then this one
I'll stay until the weekend	Doesn't want to admit she's fallen in love
You can take all your things	(Oh) c'mon (oh) c'mon what's a boy to do
The boxes and rings	When all the pretty girls can't measure to you?
And get going	I don't understand your reasons
'Cause I've (1) (2) for	Please just stay over the weekend
All the pretty girls on a Saturday night	You can't take all those things
Let it be, and come to me with the look in your eyes	They define you and me
Will you break and (3) all the worlds from my	Everything we've become
mouth?	You're all that I need
I wish all the pretty girls	Please don't make me face my generation alone
Were shaking me down, so I call	All the pretty girls on a Saturday night
I call you out	Let it be, and (7) with me
Just to feel a little (4) about myself	With the look in (8) eyes
(He does) I do (you do)	Will you break and take all the words from my mouth?
Baby I do, I do, I do	I wish all the pretty girls were shaking me down
Till their lips (5) to move	But not you
And their friends wanna talk music	I feel your faith is destroying the world
I say "I've never heard the tune"	And then this one never really understood
But I have, I just hate the band	The 80s is over and done
'Cause they remind me of you	(Oh) c'mon, what's a boy to do
Every single night ends up the same	When all the pretty girls can't measure to you?
I don't say much at all, but I bring up your name	All the pretty girls on a Saturday night
(Over and over and over)	All the pretty girls on a Saturday night
I think it's striking me out	All the pretty (9) on a Saturday night
All the pretty girls on a Saturday night	All the pretty girls on a Saturday night
Let it be, and come with me	
With the look in your eyes
