Fill in the gaps

Babel by Mumford & Sons

'Cause I know that time has numbered my days
And I'll go along with everything you say
But I'll ride home laughing, look at me now
The walls of my town, they come crumbling down
And my ears hear the call of my unborn sons
And I know that choices colour all I've done
But (1)_____ explain it all to the watchman's son
I ain't ever lived a year better (2)_____ in love
'Cause I'll (3)_____ my weakness, know my voice
And I'll believe in grace and choice...
And I know perhaps my heart is fast
But I'll be born without a mask....
Like the city that nurtured my greed and my pride
I stretch my arms into the sky
I cry Babel! Babel! Look at me now
But the walls of my town
They come crumbling down...
You ask where will we stand
In the winds that will howl
As all we see will slip into the cloud
So come down from your mountain
And stand where we've been
You know our breath is weak and our bodies thin
Press my nose up to the glass around your heart
I should've known I was (4)_____ from the start
You'll (5)_____ (6)_____ walls
And I will play my bloody part
To tear, tear (7)_____ down
Well I'm gonna tear, (8)_____ them down!
'Cause I know my weakness know my voice
And I'll believe in (9)_____ and choice
And I know perhaps my heart is fast
But I'll be born (10)_____ a mask
