

I wanna wrap my hands around your neck

Fill in the gaps

Sometimes I hate every	You're an asshole but I love you
Single stupid word you say	And you make me so mad I ask myself
Sometimes I wanna slap you	Why I'm still here
n your (1) face	Or where could I go
(Whoa-oh, oh)	You're the only love I've ever known
There's no one quite (2) you	But I hate you
You push all my buttons down	I (7) hate you, so much
know life would suck without you	I think it must be
(Whoa-oh, oh)	True love
At the same time, I wanna hug you	True love
wanna (3) my hands around your neck	It must be
You're an asshole but I (4) you	True love
And you make me so mad I ask myself	Nothing else can break my heart like
Why I'm still here	True love
Or where could I go	True love
You're the only love I've ever known	It must be true love
But I hate you	And no one (8) can break my heart like you
really hate you, so much	(Oh oh oh)
(5) it must be	(Think it must be love, I love you)
True love	(I think it must be love, I love you)
True love	Why do you walk me off the wrong way?
t must be	Why do you say the things that you say?
True love	Sometimes I wonder how we ever came to be
Nothing else can break my heart like	But without you I'm incomplete (oh)
True love	(I (9) it must be) true love (it must be)
True love	True love (I think it must be)
t must be true love	True love (it must be)
No one else can break my heart like you	Nothing else can break my heart like
(Oh oh oh)	True love (it must be)
Just once tried to wrap your	True love (I think it must be)
Little grain around my feelings	True (10) (it must be)
Just once please try no to be so mean	And no one else can break my heart like you
(Whoa-oh, oh)	(Oh, oh, oh, oh) like you
Repeat after me now	No one else can break my heart like you
(R-O-M-A-N-C-E-E-E)	(Oh, oh, oh, oh) like you
Come on I'll say it (6) (romance)	No one else can break my heart like you
You can do it babe	
At the same time. I wanna hug you	

- 1. whole
- 2. like
- 3. wrap
- 4. love
- 5. think
- 6. slowly
- 7. really
- 8. else
- 9. think
- 10. love
