

Fill in the gaps

Miracle of miracles	You say why
Look what the night dragged in	Don't ask me why
It's a pocket full of misery	I don't (10) you anymore
And trouble on the wind	I don't think I (11) did
You spoiled the best years of (1) life	And if you ever had any kind of (12) for me
You took them all in vain	You kept it all so well hid
Now you think that you're forgiven	You spoiled the best years of (13) life
But you can't be (2) again	You took them all in vain
You say why	Now you (14) that you're forgiven
You say why	But you can't be born again
You say why	You say
Don't ask me why	(Why, why, why, why, why, why, why, why)
I don't love you anymore	You say
I don't think I ever did	(Why, why, why, why, why, why, why, why)
And if you ever had any (3) of love for me	I don't (15) you anymore
You (4) it all so well hid	I don't love you anymore
Promises sweet	I don't love you anymore
Promises	I don't love you anymore
You kept them from your mind	You say why (I don't love you anymore)
Like all the (5) forgotten things	You say why (I don't (16) you anymore)
You (6) seemed to find	You say why (I don't love you anymore)
Like all the disappointments	Don't ask me why (I don't (17) you anymore)
You (7) (8) your shelf	You say why (I don't love you anymore)
Now you've got no one to (9) to	You say why (I don't (18) you anymore)
You've got	You say why (I don't love you anymore)
No one but yourself	(Don't ask me why)
And you say why	
You say why
