High dive (1) frozen waves	And makes us (9)	_ all common sense.
Where the past comes back to life	Don't speak as I try to leave	
Fight fear for the (2) pain	'Cause we both know what we'll choose	
And it's worth it (3) time	If you (10) (11)	I'll push too dee
Hold (4) (5) before we crash	And I'll (12) (13)	back to you.
'Cause we both know how this ends	'Cause you are the piece of me	
Our (6) ticks till it breaks your glass	I wish I didn't need	
And I drown in you again	Chasing relentlessly	
'Cause you are the piece of me	Still fight and I don't (14)	why
I wish I didn't need	If our love is tragedy	
Chasing relentlessly	Why are you my remedy?	
Still fight and I don't know why	If our love's insanity	
If our (7) is tragedy	Why are you my clarity?	
Why are you my remedy?	Why are you my clarity?	
If our love's insanity	Why are you my remedy?	
Why are you my clarity?	Why are you my clarity?	
If our love's tragedy	Why are you my remedy?	
Why are you my remedy?	If our (15) is tragedy	
If our love's insanity	Why are you my remedy?	
Why are you my clarity?	If our love's insanity	
Walk on (8) a red parade	Why are you my clarity?	
And refuse to make amends		
It cuts deep through our ground
