

## Fill in the gaps

## Thunder Road by Bruce Springsteen

The screen door slams	Heaven's waiting on down the tracks
Mary's dress sways	Oh-oh come (16) my hand
Like a vision she dances (1) the porch	Riding out tonight to case the promised land
As the (2) plays	Oh-oh thunder road, oh thunder road oh thunder road
Roy orbison singing for the lonely	Lying out there like a killer in the sun
Hey that's me and i want you only	Hey i (17) it's late we can make it if we run
Don't turn me (3) again	Oh thunder road, sit tight take hold
I (4) can't face myself alone again	Thunder road
Don't run back inside	Well i got this guitar
Darling you know (5) what i'm here for	And i learned how to make it talk
So you're scared and you're thinking	And my car's out back
That (6) we ain't that young anymore	If you're ready to (18) (19) long walk
Show a little faith, there's magic in the night	From your front porch to my front seat
You ain't a beauty, but hey you're alright	The door's open but the ride it ain't free
Oh and that's alright with me	And i know you're lonely
You can hide (7) (8) covers	For words (20) i ain't spoken
And study your pain	But tonight we'll be free
Make (9) from your lovers	All the promises'll be broken
Throw roses in the rain	There were ghosts in the eyes
Waste (10) summer praying in vain	Of all the boys you sent away
For a savior to (11) from these streets	They haunt this (21) beach road
Well now i'm no hero	In the skeleton frames of burned out chevrolets
That's understood	They scream your name at night in the street
All the redemption i can offer, girl	Your graduation gown lies in (22) at their feet
Is beneath this (12) hood	And in the lonely cool before dawn
With a chance to (13) it good somehow	You hear their engines roaring on
Hey what (14) can we do now?	But (23) you get to the porch they're gone
Except roll down the window	On the wind, so mary (24) in
And let the wind blow	It's a town full of losers
Back your hair	And i'm pulling out of here to win.
Well the night's busting open	
These two (15) will take us anywhere	
We got one last chance to make it real	
To trade in these wings on some wheels	
Climb in back
