#### Can't Hold Us by Macklemore & Ryan Lewis

| (But so we put our has up)                           |
|--|
| Alright, ok  |
| Alright, ok  |
| Return of the Mac                                    |
| Get them what it is, what it does                    |
| What it is, what it isn't                            |
| Looking for a better way to get up out of bed        |
| Instead of (1) on the internet                       |
| And checking out who hit me, get up                  |
| Thrift shop, pimp strut walking                      |
| Little bit of humble, little bit of cautious         |
| Somewhere between like Rocky and Cosby               |
| Sweater game nope nope you all can't copy (yup)      |
| Bad, moonwalking, it is here, it's our party         |
| My posse's been on Broadway                          |
| And we did it our way, throne music                  |
| I shed my skin                                       |
| And put my bones into everything I record to it      |
| And yet I'm on                                       |
| Let that stage light                                 |
| Go and shine on down                                 |
| Got that Bob Barker suit game and plinko in my style |
| Money  |
| Stay on my craft and stick around for those pounds   |
| But, I do that to pass the torch                     |
| And put on for my town                               |
| Trust me   |
| On my I-N-D-E-P-E-N-D-E-N-T shit hustling            |

Chasing dreams since I was fourteen

# With the four track bussing

Halfway cross that city with the backpack, fat cat Crushing labels out here No they can't tell me nothing We give that to the people Spread it across the country Labels out here No they can't tell me nothing We give it to the people Spread it across the country Here we go back This is the moment Tonight is the night We'll fight till it's over So we put our hands up Like the ceiling can't hold us Like the ceiling can't hold us Here we go back This is the moment Tonight is the night We'll fight till it's over So we put our hands up Like the ceiling can't hold us Like the ceiling can't (2)\_\_\_\_ us Now can I kick it, thank you Yeah I'm so damn grateful I grew up, really wanted gold fronts

| Deuces goodbye   |
| I got a world to see   |
| And my girl she wanna see Rome   |
| Ceasar will make you a believer, no  |
| I never ever did it for a throne   |
| That validation comes  |
| From giving it back to the people, no  |

| (But so we put our hands up) |
| Let's go                     |
| (Na na na na na na na)       |
| And all my people say        |
| (Na na na na na na na)       |
| That's right, here we go     |
| And all my (8) say           |

| Let the night come           |
| Before the fight's won       |
| Some might run               |
| Against the test             |
| But those that triumph       |
| Embrace the fight 'cause     |
| It be as there to prove      |
| That courage exists, come on |
| Now let the night come       |
