Something For The Pain by Bon Jovi

Happiness, it's been no friend to me		Run through my veins (I'm)
But forever (1)	ain't what it's all cracked up to be	To a place where I feel no pain (falling)
Yeah, I had a taste, you were my fantasy		Be the pillow under my head (night)
But I almost lost my faith when I hit reality		Cover me when I'm in your bed (is calling)
don't need no Guru to tell me what to do		Take me higher (6) I've ever been (feels like)
When (2)	feeling like a headline	Take me down and back again (I'm flying)
On yesterday's news		Come to me, be my disguise (Christ)
Come on, come on		Open your coat, let me crawl inside (I'm dying)
Give me something for the pain		Come on, come on
Give me something for the blues		Come on, come on, (7) on
Give me something for the pain when I feel		Give me something for the pain
've been danglin' from a hang-man's noose		Give me something for the blues
Give me shelter from the rain		Give me something for the pain when I feel
Give me something I can use		I've been danglin' from a hang-man's noose
To get me through the night		Give me shelter from the rain
Make me (3) all right		Give me something I can use
Something like you		To get me through the night
Come on, come on, (4) on		Make me (8) all right
oneliness has found a home in me		Something like you
My suitcase and guitar are my only family		Give me something for the pain
've tried to need someone		Give me something for the blues
Like they needed me		Give me something for the pain when I feel
opened up my heart		I've been danglin' from a hang-man's noose
But all I did was bleed		Give me shelter from the rain
don't need no lover		Give me something I can use
Just to get screwed, oh yeah		To get me through the night
They don't make a bandage		Make me feel all right
That's going to cover my bruise		Something like you
Come on, come on		Come on, come on, (9) on, come on, come or
Give me something for	or the pain	Come on, come on, come on, come on
