Real love

Fill in the gaps

Super Rich Kids by Frank Ocean & Earl Sweatshirt

Too many bottles of this wine we can't pronounce	I'm searching for a real love
Too many bowls of that green, no Lucky Charms	A real love
The maids (1) around too much	I'm searching for a real love
Parents ain't around enough	Oh, real love
Too many joy rides in daddy's Jaguar	Close (5) (6) to what you can't imagine
Too many white lies and	We are the xany-gnashing caddy-smashing, bratty ass
White lines	He mad, he snatched his daddy's Jag
Super rich kids with nothing but loose ends	And used the shit for batting practice
Super rich kids with nothing but fake friends	Adam and Annie thrashing
Start my day up on the roof	Purchasing (7) grams
There's nothing like this type of view	With half the hand of cash you handed
Point the clicker at the tube	Panic and patch me up
I prefer expensive news	Pappy done latch-keyed us
New car, new girl	Toying with Raggy Anns and Mammy done had enough
New ice, new glass	Brash as ****
New watch, good times, babe	Breaching all these aqueducts
It's good times (yeah)	Don't believe us
She washed my back three times a day	Treat us like we can't erupt
This shower head feels so amazing	We end our day up on the roof
We'll both be high	I say I'll jump, I never do
The help don't stare	But when I'm drunk I act a fool (talking about)
They just walk by	Do they sew wings on tailored suits
They must don't care	I'm on that ledge
A million one, a million two	She grabs my arm
A hundred more will never do	She slaps my head
Too many bottles of this wine we can't pronounce	It's good times, yeah
Too many bowls of that green, no Lucky Charms	Sleeve rips off, I slip, I fall
The (2) (3) around too much	The market's down like sixty stories
Parents ain't around enough	And some (8) end the way (9)
Too many joy rides in daddy's Jaguar	should
Too many white lies and	My silver spoon
White lines	Has fed me good
Super rich kids with nothing but loose ends	A million one, a million cash
Super rich kids with nothing but (4) friends	Close my eyes and feel the crash
