Love The Way You Lie Part 2 by Rihanna

On the first page of our story		Satisfied	
The future seemed so bright		Just gonna stand there and watch me burn	
Then this thing turned out so evil		But that's all right because I like the way it hurts	
I don't know why I'm still surprised		Just (7) stand there and hear me cry	
Even angels have		But that's all right because I love the way you lie	
Their wicked schemes		I love the way you lie	
And you take that		(Ohhh)	
To new extremes		I love the way you lie	
But you'll always be my hero		(Ohhh)	
Even though you've lost your mind		So maybe I'm	
Just gonna (1) there	and watch me burn	A masochist	
But that's all right because I like the way it hurts		I try to run	
Just gonna stand (2)	and hear me cry	But I don't wanna ever leave	
But that's all right because I love the way you lie		Till the walls	
I love the way you lie (Ohhh) I love the way you lie		Are (8) up	
		In smoke with all	
		Our memories	
Now (3) gr	avel in our voices	Just gonna stand there and watch me burn	
Glass is shattered from the fight In this tug of war You'll (4) win Even when I'm right		But that's all right because I like the way it hurts	
		Just gonna (9) there and hear me cry	
		But that's all right (10) I love the wa	ıy you lie
		I love the way you lie	
		I love the way you lie	
'Cause you feed me fables from your hand		I love the way you lie	
With violent words and empty threa	ats		
And it's (5) (6)	all these battles
