My heart is racing	I'm in ecstasy
She puts her hands on mine	
I feel them shaking	I just can't believe the love, love, love
I look into her eyes	It's (5) over me
And I tell her that it's gonna be alright	Love, love, love
And I'm never ever gonna make you cry	It's (6) over me
I'll fix your broken heart	(Taking over me, taking over me)
I'll make it beat again	Touch my (7) with your body
I'll never let you down	Love is taking over me
On me you can depend	
And I (1) her that we'll always be this way	It's (8) over me
Everyday she's the one that makes me (2) say	
	I'm in ecstasy, yeah
You're taking over me	
	I (9) can't believe the love (love) love (love)
I'm in ecstasy	Love (love)
	It's taking over me
I just can't believe the love, love	
It's taking over me	It's taking over me
Love, love, love	I'm in ecstasy, yeah
It's taking over me	
If I close my eyes	I just can't believe the love (love) love (love)
I can see your smile	Love (love)
I can hear the laugh I loved	It's taking (10) me
And I can't get enough	Love (love) love (love) love (love)
I can pull you closer in a moment	It's taking over me
Just like this	Touch my skin with your body
I can (3) the world	Love is taking over me
With (4) just your kiss	Touch my skin with your body
	Love is taking over me
You're taking over me
