

## Fill in the gaps

### The Haunting (Somewhere In Time) by Kamelot & Simone Simons

Merely the sound of (1) voice	Leave while you can
Made me believe that	Somewhere in (13) I will find you and haunt you
That you (2) her	again
Just like the river disturbs	Like the wind (14) the earth
My inner peace	Somewhere in time when no virtues are left to defend
Once I believed I (3) find	You (15) in deep
Just a trace of her beloved soul	I was a liar in every debate
Once I believed she was all	I rule the forces that fueled (16) hate
Then she smothered my beliefs	When the cold in my heart leaves it comes to an end
One (4) winter's night	And quietly I'll go to sleep
may follow her (5) to the river	Follow me (17) the light
Somewhere in time I will find you and haunt you again	Like ice on a (18) of tears
Like the wind sweeps the earth	I'll take you through
Somewhere in time when no virtues are (6) to	Or leave me tonight
defend	I've (19) too far to begin all anew
You fall in deep	With someone like you
How could that first (7) recur	Somewhere in time I (20) find you and love you
When memories linger	again
On and on	Like the wind (21) the earth
What made me think you (8) her	Somewhere in (22) when no virtues are
Helena is dead to all	(23) to defend
Dead to all	You've fallen deep
Nothing can (9) her to life	I was a liar in every debate
Don't pretend that I'll be (10) you	I rule the (24) that (25) your
Once I believed she was gone	hate
(11) within	When the cold in my heart leaves it comes to an end
eave, leave me for now and forever	Quietly I'll go to sleep
