Face Down by The Red Jumpsuit Apparatus

ney, giri, you know you drive me crazy	She said this doesn't nurt
One look puts the rhythm in my hand	She said "I finally had enough"
Still I'll never understand why you hang around	Face down in the dirt
see what's going down	She said "this doesn't hurt"
Cover up with makeup in the mirror	She said "I finally had enough"
Fell yourself, it's never gonna happen again	One day she will (6) you
ou cry alone and then he swears he loves you	That she has had enough
Do you feel like a man	It's coming round again
When you push her around?	Do you feel like a man
Do you feel better now	When you push her around?
As she falls to the ground?	Do you (7) better now
Vell I'll tell you my friend	As she (8) to the ground?
One day this world's going to end	Well I'll tell you my friend
As your lies crumble down	One day this world's going to end
A new life she has found	As your (9) crumble down
A pebble in the water makes a ripple effec	A new life she has found
Every action in this world (1) bear a consequence	Do you feel like a man
f you wade around forever, you (2) surely drown	When you push her around?
see what's going down	Do you feel (10) now
see the way you go and say you're (3) again	As she falls to the ground?
Say you're right again, (4) my lecture	Well I'll tell you my friend
Oo you (5) like a man	One day this world's going to end
When you push her around?	As your lies crumble down
Do you feel better now	A new life she has found
As she falls to the ground?	Face down in the dirt
Vell I'll tell you my friend	She said "this doesn't hurt"
One day this world's going to end	She said "I finally had enough"
As your lies crumble down	
A new life she has found
