SUB inglés

What I've said from the start

Fill in the gaps

Raised By Wolves by Falling In Reverse

I was lost, now I'm found	is i'll never let your system
But sustained by the sound	Break me down or tear me apart
Of the (1) singing me to sleep	Don't be fooled I was raised by the wolves
While my (2) are leaving the ground	Now the moon hangs in full
Am I dead?	So you know I won't
Or am I dreaming instead?	Play by the rules, I will never spill
A cornucopia of opiates have (3) my head	Spill my blood for you
I'm insane, I am smart	You have let me down, one too (6) times
All it takes, is a spark	Someway, somehow, we've fallen out
To ignite my bad intentions	Caught in between my enemies
And do what I do best to your heart	No way, not now, I won't back down
Don't be fooled, I was raised by the wolves	I (7) the line at you and me
Now the moon hangs in full	You're what I started, now disregarded
So you know I wont	One day they'll see, it was always me
Play by the rules, I will never spill	(Oh) this is the end of you
Spill my blood for you	This is where I draw the line
You have let me down	And I won't lose
One too many times	This war is mine
Someway, somehow, we've fallen out	(Oh)
Caught in between my enemies	Spill my blood for you
No way, not now, I won't back down	One too many times
I draw the line at you and me	Someway, somehow, we've fallen out
You're what I started, now disregarded	Caught in between my enemies
One day they'll see, it was always me	No way, not now, I won't back down
Due to (4) I have made to the state	I (8) the line at you and me
I am trapped inside a dillinger	You're (9) I started, now disregarded
Diligently thinking of ways	One day they'll see, it was always me
To get out of this God (5) place	One day they'll see, it was always me
I have learned that the fate	It was always me
Is something I can't escape so	
Sound the alarm
