### Fill in the gaps

#### When You Kiss Me (Live) by Shania Twain

This could be it	And when you're (12) me
I (1) I'm in love	The world just goes away
It's love this time	The way you hold me
It just seems to fit	The way you show me
I think I'm in love	That you adore me
This (2) is mine	Oh, when you kiss me
I can see you (3) me when I'm older	I can see you (13) me (14) I'm older
All my (4) nights are finally over	All my (15) (16) are finally
You took the weight of the world off my shoulders	over
(The world just goes away)	You took the weight of the (17) off my shoulders
And when you kiss me	(The world just goes away)
I (5) you miss me	And when you (18) me
And when you're with me	I (19) you miss me
The (6) just goes away	And when you're with me
The way you hold me	The world (20) goes away
The way you (7) me	The way you hold me
That you adore me	The way you (21) me
Oh, when you kiss me	That you adore me
Oh, yeah	The (22) just (23) away
You are the one	The way you hold me
I think I'm in love	When you kiss me
Life has begun	(I know you (24) me)
(I think I'm in love)	I (25) you (26) me
I can see the two of us together	(And when you're with me)
I (8) I'm gonna be (9) you forever	Oh
Love couldn't be any better	The world (27) goes away
(The world just goes away)	When you kiss me
And when you kiss me	
I (10) you (11) me
