Fill in the gaps

When You Kiss Me (Live) by Shania Twain

This could be it	And when you're with me
I think I'm in love	The world just goes away
It's love this time	The way you hold me
It just seems to fit	The way you show me
I think I'm in love	That you adore me
This love is mine	Oh, (6) you kiss me
I can see you with me when I'm older	I can see you with me when I'm older
All my lonely (1) are finally over	All my lonely nights are finally over
You took the weight of the (2) off my shoulders	You took the weight of the world off my shoulders
(The world just goes away)	(The world just goes away)
And when you kiss me	And when you kiss me
I know you miss me	I know you miss me
And when you're with me	And (7) you're with me
The (3) just goes away	The world just goes away
The way you hold me	The way you hold me
The way you (4) me	The way you show me
That you adore me	That you (8) me
Oh, when you kiss me	The (9) just goes away
Oh, yeah	The way you hold me
You are the one	When you (10) me
I think I'm in love	(I know you miss me)
Life has begun	I know you miss me
(I think I'm in love)	(And when you're with me)
I can see the two of us together	Oh
I know I'm gonna be with you forever	The world just goes away
Love couldn't be any better	When you kiss me
(The world just goes away)	
And when you kiss me	
I (5) you miss me
